

A Letter to Dr. Pierce is the First Step to Health for Weak and Sick Women.

Sick women are invited to consult Dr. Pierce, by letter, free, and under seal of the strictest privacy. In a little over thirty years of practice as chief consulting physician to the Invalids' Hotel and Surgical Institute, Buffalo, N. Y., Dr. Pierce, assisted by his staff of nearly a score of physicians, has treated and cured over half a million women. Address Dr. R. V. Pierce, Buffalo, N. Y.

Offers of "free medical advice" made in imitation of Dr. Pierce's offer of free consultation by letter are advertised by persons who are not physicians, and are not qualified to give medical advice. Every woman should consult her own safety by careful inquiry into the genuineness of such offers.

There is no offer similar to Dr. Pierce's, which has behind it an institution of national note, such as the Invalids' Hotel and Surgical Institute, Buffalo, N. Y., with its staff of nearly a score of physicians, presided over by a specialist of Dr. Pierce's experience and success, in the treatment and cure of diseases peculiar to women.

How Other Women Have Been Cured.

"I suffered untold misery for many years with uterine trouble," writes Mrs. Mary E. Wilcox, of Emo (Rainy River), Algoma Co., Ont., "until I commenced taking Dr. Pierce's good medicine and used the local treatment as advised. I took two bottles of 'Favorite Prescription' and two of 'Golden Medical Discovery.' I also sent for one box of your 'Antiseptic and Healing Suppositories.' I have only used two and that was two months ago. I would advise every woman who suffers from ulceration of the uterus and piles to use Dr. Pierce's Favorite Prescription and 'Golden Medical Discovery.' They are the best medicines in the world. Also write to Dr. Pierce for his fatherly advice. I have felt better in these past seven months than I have for years. Every month I used to have to go to bed and have hot poultices and take laudanum to ease the pain. I don't go to bed now nor do I take laudanum."

"I have used your medicine as you directed," writes Mrs. Caroline Hammac, of Hammac, Escambia Co., Ala. "I have only used one bottle of Dr. Pierce's Favorite Prescription and in connection I used one bottle of 'Golden Medical Discovery.' Six doses a day, three of each, and sometimes I used the tablets as you directed. I feel well. I am hard at work and have been for some time. I had been under a good doctor five years for this same disease and you see how quick your medicine cured me."

"About a year ago I had a mishap which left me in very poor health for some time afterward," writes Mrs. Cene Johnson, of Gordon, Sheridan Co., Nebr. "I employed a local doctor but got only temporary relief, until I commenced using Dr. Pierce's medicine, which I did after consulting you. I am now as well as ever. I took five bottles of the 'Favorite Prescription' and one of the 'Golden Medical Discovery.' I would recommend these medicines to all who suffer as I did."

If you are sick or ailing take advantage of Dr. Pierce's offer of free consultation by letter and write today to Dr. R. V. Pierce, Buffalo, N. Y.

"OPEN SHOP" GROWTH.

Parry Says Past Year One Thousand Shops Began Practicing It.

New York, Nov. 30.—Members of the Citizens' Industrial association, representing all sections of the country, were present when the second annual convention of the organization opened in the new Hotel Astor. President David M. Parry, in his address, reviewed the growth of the "open shop" movement. He said that within a year 1000 factories have opened their doors to workmen without regard to their membership in unions.

President Vancleave of the Citizens' Industrial association of St. Louis followed Mr. Parry. The association, he said, stands for industrial peace and the enforcement of law. The existing conditions, he declared to be intolerable and dangerous. "The men you employ," said he, "are serving the walking delegate and shop steward and not you. The walking delegate and the shop steward employ whom they

please without consulting you. It is up to you to destroy the boycott. Crime follows the labor union wherever it secures a foothold."

President Vancleave said that \$17,000,000 was paid into the treasuries of labor unions every year and that the largest part of this money was used to spread Socialistic doctrines throughout the country. Mr. Vancleave urged the delegates to organize and stand together. By this means, he said, industrial peace could be secured within a year.

J. C. Craig, president of the Citizens' alliance of Colorado, defended the attitude of the Citizens' alliance in Colorado and declared that the deportation of miners from the state was justified by the circumstances.

LIKE A LAME DUCK.

"Young Corbett" Was as Helpless as a Fowl of This Character.

San Francisco, Nov. 30.—In the greatest fight witnessed between little men in years "Battling" Nelson of Chicago won from "Young Corbett" of Denver in ten rounds. From the tap of the going until Corbett's seconds threw up the sponge, Nelson was master of the situation at every stage of the game. His in-fighting was a revelation and the most brilliant witnessed in any ring here. For the last three rounds of the fight Corbett was a helpless as a baby, but he wobbled around groggily and gamely until the repeated calls from around the house to stop the fight caused Harry Tutthill to enter the ring. The fight was over and the new man is in line to vanquish Champion Britt.

The cry of "stop the fight" was yelled from every part of the house during the last three rounds, but it was not until the tenth that the butchering ended. Corbett wobbled around the ring gamely, but was as helpless as a lame duck.

Harry Tutthill then jumped into the ring and a great yell went up from the crowd. The fight was at an end. Corbett, bathed in blood, with a sickly smile shook hands with the victor and was then helped out of the ring. Nelson looked strong and was unmarked. After posing for the snap shot man he was carried off on the shoulders of his smiling friends.

FIVE HUNDRED SHOTS.

Firing at Zeigler, Ill., Lasted From Sundown Until Daylight.

Benton, Ill., Nov. 30.—Ziegler was fired upon Monday night from sundown to daylight Tuesday morning. It is estimated that no less than 500 shots were fired at the town. The four Gatling guns belonging to the coal company were turned on in full force in the direction whence the shots came. The town was completely surrounded and the firing came from every quarter. Assistant Adjutant General Reese and the Cabondale militia company arrived in Ziegler Tuesday and General Reese will remain several days to investigate the situation. It is thought that still more troops will be brought.

Joseph Leiter came to Ziegler with more miners from Chicago. Examination of the ground showed that the men who were firing have powerful guns. They were stationed from one-half to three-quarters of a mile from the town. Almost a bushel of empty shells of every size and make were found in these woods. A trail of blood was found on a rail fence and from this it is supposed at least one person was wounded.
